NCC had a cabinet meeting this week. Changes to the Shortbreaks initiatives are being discussed to possibly extend it to siblings and parents. There are discussions on increase in millions for Norfolk Fire and Rescue. Ringfenced funds for NCC Highways Travels has approved 24/7 free bus travel from 1<sup>st</sup> of February 2024. It was found that Christmas 2023 was the busiest time for Norfolk Social Workers. They are also considering increasing from 3 preferences to 4 with applying for places in schools. Approximately 97% got a place in one of the preferences last year. This change would hopefully work towards 100% of students getting a place in their preferred schools. For more information look on the NCC website or contact NCC Storey directly. <https://www.norfolk.gov.uk/> OR [martin.storey@norfolk.gov.uk](mailto:martin.storey@norfolk.gov.uk)

**346. To discuss emergency planning** – Chairman Randall welcomed Barry Moss. Mr Moss explained the possibility of emergency events in the parish. He gave an overview of the possible support needed in such events, and what could be in an Emergency Plan “to ensure the village has the capability to help itself until emergency services arrive.” The PC discussed the information provided. The Borough and NCC would be an additional source of information on the topic. It was decided to create a TFG to discuss this and come back to the PC at a later date. TFG volunteers are Cllr Green, Mr Moss and Cllr Williams.

**347. To discuss receive feedback on A Village Christmas 2023** - Mixed results for Village Christmas Year No 3. The reps from local organisations worked well together and the layout of the event calendar was completed quickly. Once again thanks must go to the Village Hall Committee, who waived any booking fees for the events, Daren Morgan for designing the calendar and the volunteer deliverers round the village.

Less response to some events, but the Christmas Catchup Cuppa for Hockwold’s senior citizens went down really well. There’s quite a lot of time and effort goes into organising the whole Village Xmas and it’s disappointing when events aren’t supported, but maybe the format needs to change this year.

It is a Parish Council event and thanks to the Country Fair Committee there is ringfenced monies to use for community events. This year, with £60 raised from tables at the Fair, less £21.22 spent on the hamper for the winners of the Xmas Treasure Hunt, another £38.78 has been added to the ringfenced monies.

**348. To discuss noticeboard update** – The clerk distributed the final render and dedication wording to the PC. The Village Hall has approved the design and the dedication. Clerk to move forward with the sign and the installation. Further updates will be provided as they unfold.

**349. To consider vexatious reporting and policy** – The clerk distributed an information sheet on vexatious policy. The PC discussed it and proposed to create a TFG to create a draft and bring back to the full PC. TFG volunteers are Cllr Green, Clerk and Cllr Newman.

**350. To consider a grit bin for Blackdyke Road** – The resident request for a grit bin on the curve on Blackdyke Road was discussed. The need for a map of the current grit bins locations, and the upkeep of the South Street bin was discussed as well. It was decided to have the clerk acquire the bin locations and put this on February’s agenda to be discussed as a whole. Clerk to report the need for new grit on the South Street bin, and email Cllr Storey with details on the bins for possible funding from the Members Fund.

**351. To discuss Woodland Trust’s free tree and shrub packs** – The council were sent the information on this previously. This initiative to be added to the next LAC agenda, and the APA 2024 agenda. This would allow the PC to apply for the November delivery.

**352. To discuss the Community Emergency Leaflet** – Cllr Johns to do the final design and bring it to the PC for February’s meeting.

**353. To discuss Church Lane bridleway request.** The PC reviewed the request. The clerk contacted NCC Highways previous to the meeting to get advice on the legality of approving signs. Mr Wallace of NCC Highway informed her that he did not have that information, but has forwarded the request to David Mills as he deals with these complex rights of way issues. The clerk to chase the information, and put this on February’s agenda.

## **354. Finance**
