#### **191. Planning Matters**

**a. To receive results & updates of outstanding applications**

**i. NONE**

**b. To receive new planning applications relevant to the village and make comment.**

**i. 23/00728/PAGPD | Single storey rear extension which extends beyond the rear wall by 6.96m with a maximum height of 3.71m and a height of 2.85m to the eaves | Annexe At White Dyke Farm Black Dyke Road Hockwold cum Wilton Norfolk NO COMMENT**

**ii. 22/00860/FM | Demolition of existing buildings and construction of new buildings in connection with pig finishing provision and other associated works. | Feltwell Farm Lodge Road Feltwell Thetford Norfolk IP26 4DU**

It was proposed by Cllr Morgan. Seconded by Cllr Willimas to submit objection based on the following. Agreed by all present.

Hockwold cum Wilton Parish Council asks, if this plan is to be approved, that a condition be added to ensure that no HGV, contractor and outside services use Hockwold cum Wilton for travel. The village streets are narrow, and often narrowed further by parking on both sides. The primary school is on the sole throughway. It is also not clear as to the volume of trucks that are to bring in feed daily. The HGV traffic could see a possible increase of 10,000 vehicles. This will have a negative impact on the local road surfaces and the costs of maintenance. The village roads are poorly maintained, and any increased traffic will magnify the wear and tear on the roads.

The traffic from this plan will have a negative effect on Hockwold cum Wilton residents, specifically noise disturbance, air quality, odour (vehicle exhaust).

There is not sufficient information provided on the amount of water used in cleaning of waste and holding areas, or how it's to be disposed of. The smell from a facility this large would be substantial. Where and how the slurry will be disposed of was not detailed, as well as, the plan for controlling what will be a huge amount of pest and insects.

This plan is not a rural development, it is an industrial development.

**iii. 22/00866/FM | Demolition of existing poultry sheds, construction of 20 new poultry sheds, 4 workers dwellings and associated infrastructure. | Airfield / Methwold Farm Brandon Road Methwold Norfolk IP26 4RJ**
